## — From the President's Desk

School has been in session for over a month now, and it's already time for progress reports, school pictures, and Homecoming. Whew! Where has the month gone?

Our year started off with a bang when the PTO hosted the New Family Reception at Open House. We met some amazing families, all of whom are energized to integrate into our Kavalier family. For those folks, we once again, say "Welcome."

For those that are not new to Kenston, we say "Thank You" for choosing to enroll your child in our school again this year. Your belief and support of our school is what has furthered its growth and brought it to where it is today.

We are looking forward to working with each of you this year and hope that you will utilize us to enhance your educational experience.

Here to Serve,

*Sandy Long*

## — PTO Cash Back Programs

*Continued from Front*

example, last year, the PTO received deposits totaling \$533.87 from Target, alone!

How can you help? Establish a link and go shopping! Enlist your friends and family members to do the same.

Parents of Lower School children have received information about Target's Take Charge of Education and Food Lion's Shop and Share programs. This week, you should find information on BoxTop\$ For Education.

Register your MVP card for Shop & Share!

Establishing a link between yourself and a cash-back program will enable the PTO to benefit from your usual purchases.

Remember, when the PTO benefits, your children will also benefit.
